

### More Resources For Disaster Response:

- “Responding in Disaster: Work Group Opportunities in Disaster Response,” a pamphlet available from Presbyterian Disaster Assistance, 100 Witherspoon Street, Louisville, KY 40202-1396. An update on current work group opportunities for local churches and presbytery work teams.
- “National Earthquake Probabilistic Hazard Mapping Program: Lessons for Knowledge Transfer” (WP92, 1996, 84 pp.), order from Publications Clerk, Natural Hazards Center, Campus Box 482, University of Colorado, Boulder, CO 80309-0482 (\$4.00 shipping and handling, in addition).
- “The Extension Agent’s Handbook for Emergency Preparation and Response,” produced by the Hazard Reduction and Recovery Center at Texas A&M University. Fourth edition available through FEMA’s website: <http://www.fema.gov>.
- For presbyteries along our coastlines or in mountainous areas where there are many tourists, there is a new monograph, “Disaster Evacuation Behavior: Tourists and Other Transients” (Monograph #58, 1996, 375 pp., \$20). May be ordered from National Hazards Center above.
- Papers and session summaries of the 1996 Annual Hazards Research and Applications Workshop, especially R96-14 “Rural Areas and Disaster Planning” and PP96-7 “Disaster Resistant Communities Program.” Order from National Hazards Center above.
- A subscription to “National Hazards Observer,” a bimonthly magazine published by the National Hazards Center at Boulder (address above). Cost: \$15/year. The magazine contains articles on hazard prevention and mitigation, as well as a review in each issue of helpful Internet sites.
- Papers and publication of the “Cities at Risk” 1996 Internet conference of the United Nations Secretariat of the International Decade of Natural Disaster Reduction (IDNDR), found at <http://www.quipu.net>. Order from North Carolina Council of Churches, Interfaith Disaster Response Committee, 1307 Glenwood Avenue, Suite 162, Raleigh, NC 27605-3258).
- “When Disaster Strikes,” a publication of FEMA giving the steps in requesting and receiving Federal disaster assistance. Order by calling the FEMA Office of Congressional Affairs, 202-646-4500.
- “A Guide to Federal Aid in Disasters,” FEMA publication #262, April, 1995, available along with other FEMA publications from FEMA Headquarters, 500 C Street SW, Washington, DC.
- Emergency Management. Organized by counties and cities. [www.emergencymgmt.com](http://www.emergencymgmt.com).
