### Agenda

### Agenda (Revised)

January 10, 2012 4:00 p.m. WebEx

- 1. Call to Order
- 2. Roll Call
- 3. Opening Prayer
- 4. Adoption of the Agenda
- 5. Introductions

Where have you seen God's gifts of light and hope in the last several weeks?

6. Action Items

A. A the request from Koinonia of Washington Ministries, David Stetson, to remove Koinonia as a ministry of the Synod of Alaska-Northwest from the By-Laws and Articles of Incorporation of Koinonia.

**Information:** When the Cursillo and Walk to Emmaus movements found their way into the Presbyterian family, thus Koinonia, it was very important to some that they be held spiritually accountable. Our forefathers and foremothers chose to hold this accountability through the Synod. Our Koinonia brothers and sisters have taken this very seriously over the decades. There is no evidence of support for this ministry or a desire for oversight at the Synod level anymore.

In the portfolio for this meeting you will find a letter from David Stetson and an annual report. Through the years this group has kept in touch with the Synod and sought accountability.

**B.** Proposal from the Consultation Writing Team.

*Information:* The Synod commissioners voted to call and pay for a consultation. The report is included in the portfolio for this meeting.

C. The 2012 Operating Budget of the Synod.

*Information:* The Proposed Budget 2012 Operating Budget of the Synod and the November financial reports are included in the portfolio for this meeting.

**D.** The Committee on Representation's (COR's) Report for 2010-2011. **Information**: The report is included in the portfolio for this meeting.

*E.* Personnel Committee - Should the contracts for Accounting Services and Treasurer be combined into one monthly stipend?

**Information:** Martha Hubbard is our Synod Treasurer. She has also provided Accounting Services for us during this year of transition in regards to bookkeeping. We have paid her for those hours. It seemed prudent to combine the workload and adjust the stipend from \$1,000 per month to \$1,500.00 per month. The Commissioners heard this request previously and approved the concept but requested that our Auditors be apprised and sign-off on the concept. We have been told by the Auditors that our GAAP procedures will allow for this.

#### Additional Information:

a. We understood that our Presbyter to Synod position was a temporary position, a way to practice a new way of being. We understood that our Technology ministry needed to be selfsupporting by 2014. Members of the Consultation have suggested that all staff be dismissed by June 2012. Shall we seek to launch our Technology Ministry as a gift to the wider church in the next six months? We are prepared to form a 501(c)3, recruit a Board of Directors and implement a new fee structure for services. Or shall we ask our staff to take the next six months to shut down the ministry? We need a strong decision that is supported by our Synod commissioners. Please prepare to make this decision at the February 2011 meeting at Camp Soundview.

b. **Project Assistant.** We received 22 applications before Christmas. Five applicants are very strong. This position is essential if we are going to proceed with the Technology Ministry. This person is also needed if we are going to move to a virtual office and prepare for a new Stated Clerk when we no longer have a Presbyter to Synod or a Synod Office. This was to be a one year position

7. Next meeting:

Thursday night (arrival and settle in) through Sunday afternoon Synod Commissioners Retreat February 9 – 12, 2012 Camp Soundview Please review the letter sent previously. We still need a few volunteers to help with organization. Invited leaders: The Rev. Dr. Jill Hudson, OGA/GMAC staff The Rev. Dr. Craig Williams, Western Area New Church Development Staff Person Dianna Kunce and Denise Easter, Renewal Ministries This will now be a retreat and a business meeting.

8. Closing Prayer

Transitional Executive, Joyce M. Emery, led the commissioners in introducing themselves by answering the question "Where have you seen God's gifts of light and hope in the last several weeks?"

The Synod **VOTED** to approve the request from Koinonia of Washington Ministries to remove Koinoinia as a ministry of the Synod of Alaska-Northwest from the By-Laws and Articles of Incorporation of Koinonia.

It was moved and seconded to refer the proposal of the Consultation Writing Team (**APPENDIX A**) to the February Synod meeting for action at that time. Following discussion the Synod **VOTED** and the motion was not approved.

It was moved and seconded to approve the proposal from the Consultation Writing Team (**APPENDIX A**). Following discussion the Synod **VOTED** to approve the motion.

The Synod **VOTED** to amend the proposed Reduced Function 2012 Synod Operating Budget (**APPENDIX B**) by increasing line 7000-76 Computer Hardware from \$1400 to \$4400.

The Synod **VOTED** to amend proposed Reduced Function 2012 Synod Operating Budget (**APPENDIX B**) by changing line 5100-50 Director of Technical Services \$44,172 to \$82,116 and changing line 5100-60 Administrative Assistant/Project Assistant from \$0 to \$26,000.

# Proposal for a "Reduced Function Synod"

Principles for Synods and Presbyteries:

The 211th (1999) GA Received the Report of "The Special Committee on Middle Governing Bodies" calling for consultations throughout the church with synods and presbyteries and commending these principles:

A. The primary organizational focus of the life and work of the PC (USA) is on developing, encouraging, equipping, and resourcing its congregations and their leaders as the Living Body of Christ.

B. The primary focus of the life and work of presbyteries is to enhance the effectiveness of congregations

## *C.* It is essential that simplified, flexible and more responsive ways be found for the PC (USA) to do its work as it moves into a new millennium in a rapidly changing environment.

As the Church moves from being a regulatory to a supportive agency, it has rediscovered that mission and ministry happens best at a congregation level because it transforms the lives of those engaged. We propose bringing our structure in line with this reality. Whatever ministry and mission currently exist at the synod level should be stewarded by congregations and presbyteries. The governance system of synods is not and cannot be responsive and supportive and is not able to react to current realities of congregational ministry.

Second, accountability is the heart of Presbyterian polity. Higher councils offer lower councils accountability for the health of the ministry done at those lower levels, while higher councils must be accountable to resource, support and encourage those lower councils. Accountability flows in both directions and provides health.

Therefore we recommend the following plan to restructure the synod to best steward our resources of time, talent and treasure and to foster the future of the church.

### **Function and Structure**

The Synod shall perform Administrative review, PJC as required and budget preparation and oversight.

To enact these functions we propose governance by seven Ruling and seven Teaching Elders who, when serving, shall be active members of the seven presbytery councils. Each presbytery shall elect one ruling and one teaching elder. The active term shall be for two calendar years or until a replacement has been elected by the particular Presbytery. The Synod Commissioners effective January 1, 2013 and every two years thereafter shall elect a clerk to perform synod duties as described. *Rationale: Accountability must flow in <u>both</u> directions; the link between presbytery leadership and the Synod is critical.* 

### **Covenant Partnerships**

Existing continuing partnerships will be referred to presbyteries for consultation in the hopes that a presbytery or groups of presbyteries will build strong covenant partnerships. If no presbytery assumes the relationship, the partnership ceases. *Rationale: The presbytery is in the best position to allocate resources and support the place where ministry is most effective, that is the congregation and its leaders.* 

### Synod Staffing

The synod staff and the leadership are to be commended for their good work in recent years and together have made important changes that have brought us to this time for further actions. However, during this time of transition, we recommend that beginning in January, 2012, no further staff be hired nor there be any expansion of staff hours and that the Synod Commissioners begin the process of downsizing. Beginning in January, 2013, the commissioners shall elect a person to fill the role of Stated Clerk. During 2012, an implementation team shall be appointed by the Commissioners to

negotiate dismissal terms. Rationale: The new Synod will be primarily participatory rather than administrative. The Synod functions (PJC, Administrative Review, and Budgeting) require no administrative support beyond the Stated Clerk and possibly contracted financial management. Presbyteries will be more efficient and effective forming direct partnerships with and among one another as they assume the ministries and partnership of the Synod.

### Asset and MDC Relationship

We value the purpose and ministry of the Mission Development Certificate Program and support its continuance. Therefore the Synod will not be liquidating the MDC certificates. We propose that the ownership of undesignated Synod assets that are held as Mission Development Certificates be transferred equally to the 7 presbyteries.

Rationale: MDC is an excellent example of the Church doing something together than individual congregations or presbyteries cannot do alone. The Synod represents 7% of MDC investors, and will cultivate relationships with the seven presbyteries, however Synod oversight via MDC Board representation will continue.

The Synod will develop a disposition plan for all other assets by June 2012 with distribution executed according to the plan.

#### Implementation

2012 will be a year of transition. The new structure, transfer of ministries activities and covenant relationships to the presbyteries will be completed by December 31, 2012. *Rationale: The reality of GA action regarding Synods, the vanishing sources of funding at the Synod level, and the real needs of presbyteries and congregations demand a rapid response.*
